

## JUZ (PART) - 14 – rubamaa [Perhaps...]

On the Day of Judgment, the unbelievers will wish that they were Muslims. Allah Himself has taken the responsibility of preserving the Qur'an.	15:[2-15]	Do the unbelievers feel secure against the wrath of Allah.	16:[45-50]
2 Allah created and decorated the heavens. He also created everything suitable for human life on earth.	15:[16-25]	7 Whenever unbelievers are in distress they call upon Allah Alone; no sooner does He relieve them that they start committing shirk.	16:[51-60]
3 Story of Adam's creation; prostration of the angels before him and Shaitân's refusal to prostrate. Shaitân and his followers are destined for hell.	15:[26-44]	8 If Allah were to punish mankind for wrong doings, He would not leave even an animal around the wrongdoers. As water gives life to dead land so does the Qur'an to the <u>human soul</u> .	16:[61-65]
4 The righteous will be awarded paradise.  The Prophet Ibrâheem is given the good news of a son by two angels.	15:[45-50] 15:[51-60]	9 There is a lesson for mankind in the lives of animals i.e., milk-producing animals and the honeybee.	16:[66-70]
5 The same angels came to the Prophet Lût and executed Allah's decree of stoning to death the nation of homosexuals.	15:[61-79]	10 There is a lesson in the process of your own creation: Why, then, believe in deities who have no power to create anything and disbelieve in Allah, the Creator?	16:[71-76]
6 Punishment to the people of Hîjrah for their disbelief.  Al-Fâtîha is also called: "Seven verses worthy of oft-recitation."	15:[80-86] 15:[87-93]	11 There are also signs of Allah in the lives of the birds and the animals.	16:[77-83]
Proclaim the commandments of Allah publicly and turn away from the Mushrikeen.	15:[94-99]	12 On the Day of Judgment a witness will be called from each nation and the unbelievers will face the reality of their invented false gods.	16:[84-86]
<b>16. NAHL [The Bee] (Rukus-16; Verses-128)</b>		End and punishment of disbelievers Witness from every nation and the Prophet as witness to all	16[87-88] 16:[89]
1 Allah has sent down His revelations to warn that there is no god but Him. He has created cattle for the benefit of human beings.	16:[1-9]	13 Allah commands to do justice, do good to others, and give to near relatives; and He forbids indecency, wickedness, and rebellion. Don't break your covenants... What is with you is transitory; and what is with Allah is everlasting. Good life for the believers in this world and their reward in the hereafter When you recite the Qur'an, seek Allah's protection against Shaitân.	16:[90] 16[91-94] 16[95-96] 16[97] 16:[98-100]
2 It is He Who sends down water from the sky for drinking and agriculture. He set mountains to stabilize the earth. Allah has bestowed so many favors, you cannot even count them.	16:[10-21]	14 The unbelievers accused Muhammad ( <i>pbuh</i> ) of being taught the Qur'an by a certain man, but the man they allude to is non-Arab while the Qur'an is in eloquent Arabic.	16:[101-110]
3 The unbelievers are arrogant and they will be held responsible for that attitude.	16:[22-25]	15 Do not declare with your tongue what is Halâl ( <i>lawful</i> ) and what is Harâm ( <i>unlawful</i> ) - Halâl and Harâm are from Allah.	16:[111-119]
4 On the Day of Judgment, Allah will humiliate the arrogant and cast them into hell while the righteous will be awarded paradise.	16:[26-34]	16 Ibrâheem was a nation in himself.	16:[120-124]
5 Allah has sent the Rasools to warn against the unbelievers' excuse: "If Allah wanted, we would have not worshipped anyone else."	16:[35-40]	Call towards the Way of Allah with wisdom; advise and reason in a courteous manner.	16:[125-128]
6 Allah has promised a good abode for those who migrate for His sake.	16:[41-44]
